

*Rain, hail or
shine, we've
got you
covered*

At Gold Coast Tipis, we are deeply passionate about creating beautiful events which are one of a kind. And we are so excited to offer people of the Gold Coast and surrounding areas, a very unique experience in outdoor events.

Whether it be an elaborate Wedding in the Hinterland, or a Corporate Function in the city, we will work together with you in building an extraordinary event which will WOW your guests and create an ever-lasting impression.

a league of their own

Originating from Sweden, and inspired by the Sami tribes, our tipi marquees are made from a sustainable nordic pine, and a durable waterproof canvas, which when all erected, can handle extreme weather conditions.

Their unique design allows us to lift the sides in the warmer months offering 360 degree views of the gorgeous scenery, or we can leave the sides down during Winter.

Why not go naked! Our tipis look amazing without their covers and wrapped in twinkling fairy lights, creating a magical ambience.
